### **Impact on XCO start grid:**

During French MTB Cups, when both XCC and XCO events are on the program, the top 24 finishers in the XCC will be given priority for the XCO start grid.

During the French MTB Championships, the XCC will not have any impact on the XCO start grid.

### **XCC registration opening dates:**

Registration for XCC events will open after the previous national event (Cup or Championship), allowing the updated rankings to be used to adjust the registration platform settings.
