For these riders, the platform will be reopened on Thursday 9 days before the event.</p> <p>The performance criteria indicated above may be revised during the season in order to reach a starting complement of approximately 40 riders.</p>
U19 Women	* UCI licences

Impact on XCO start grid:

During French MTB Cups, when both XCC and XCO events are on the schedule, the top 24 finishers in the XCC will be given priority for the XCO start grid.

XCC registration opening dates:

Registration for XCC events will open after the previous national event, allowing the updated rankings to be used to adjust the registration platform settings.
